

Union Home and Cooperation Minister Amit Shah chaired a review meeting of the Central Police Training Institutes (CPTIs) in New Delhi

Chennai, July 20 2022: Union Home and Cooperation Minister Shri Amit Shah chaired a review meeting of the Central Police Training Institutes (CPTIs) in New Delhi today. Minister of State for Home, Shri Nityanand Rai, Union Home Secretary, Directors General of the Central Police Forces and the Bureau of Police Research and Development and Heads of Central Police Training Institutes attended the meeting.

Speaking on the occasion, the Union Home Minister stresses on an effective training system to fulfill expectations, sense of duty and achievement of goals. He said under Mission Karmayogi

launched by Prime Minister Narendra Modi, training of police personnel up to the level of Constable, Sub Inspector and DSP should be conducted with a holistic approach. He said 60 percent training for all policemen should be common to all, while 40 percent training should be force-based, so that we can make the best use of our training capabilities.

Shri Amit Shah said that it is very important that training of policemen should change with the times. He emphasised on both, strictness and sensitivity in training and said that along with modern techniques, there is a need to inculcate the spirit of patriotism, fitness,

discipline, sensitivity and self-dedication in police forces. He said use of technology and modern equipment in training of

police forces is the need of the hour, but at the same time we should focus on basic policing and put it into practice. He stressed

the need to review the impact of online training for policemen at all levels.

Presentations were made by Central Police

Training Institutions emphasizing upon the importance of right training at the right time to build up the capacities of

the police personnel for providing prompt and effective responses to the ever changing nature of security challenges. Discussions were held on the relative merits of Hybrid Learning and Emerging Training Paradigms, Training Methodologies and Techniques including the importance of assessment of Training Need Analysis (TNA), Productivity of Training Resources, Trainers Development, Dissemination of Best Practices, Research & Publications, Standardization of Study Material,

e-Content, Best Practices in Training Evaluation, Training Infrastructure

Development, Expansion of Training Capacity, New Initiative & Innovations in Training and Training on Disaster Management.

Representatives from the Sardar Vallabhbhai Patel National Police Academy, Central Academy for Police Training, Bhopal, Central Reserve Police Force (CRPF) Academy, Border Security Force (BSF) Academy, Indo-Tibetan Border Police (ITBP) Academy, National Industrial Security Academy, National Security Guard (NSG), North East Police Academy, Sashastra Seema Bal (SSB), Bhopal, and National Disaster Response Force (NDRF) participated in the meeting.

Pact for training 18,000 students, especially from rural & tribal areas to be trained in the next three years

Chennai, July 20 2022: National Skill Development Corporation (NSDC) today announced the signing of a Memorandum of Understanding (MoU) with Toyota Kirloskar Motor [TKM] and Automotive Skill Development Council (ASDC) to train 18,000 students in three years, with special focus on rural areas, making them more employable through the company's unique training initiative—Toyota Technical Education Program (T-TEP). These students will be trained across five automotive job roles such as General Technician, Body and Paint Technician, Service Advisor, Sales consultants and Call Center Staff.

The MoU was exchanged between Mr. Ved Mani Tiwari, Chief Operating

Officer and Officiating CEO, NSDC, Mr. Arindam Lahiri, CEO, ASDC, and Mr. Sabari Manohar R, GM, TKM in the presence of Shri Rajeev Chandrasekhar Minister of State for Ministry of Skill Development & Entrepreneurship and Ministry of Electronics and Information Technology and Mr. Vikram Gulati, Executive Vice President, TKM.

Aimed at generating talented and technically skilled professionals for the automobile industry, T-TEP is strongly aligned with Skill India Mission and so far, been associated with 56 ITI/Polytechnic colleges covering 21 states. Currently more than 10,000 students have been trained and 70% of the students are working in various automobile companies.

On this occasion, Shri Rajeev Chandrasekhar said that Toyota Kirloskar Motor's initiative, in collaboration with NSDC and ASDC, to establish skill development centers across the country with a special focus on rural areas will have a big impact in making the students highly skilled, employable, and future ready. This effort is aligned with the Government of India's Skill India Mission. The government is committed to encouraging, supporting and collaborating with industry partners like Toyota by providing them with a platform that will boost their efforts in bridging the existing skills gap and help develop a workforce of global standards, he added.

The Minister further added that Automotive sector

is an important pillar of Indian economy and offers huge scope in the manufacturing economy over the next 5-6 years. India can also be the Principal Pole for future of Automobile Sector in India thereby creating huge opportunities for Skilling. The partnership with Toyota is going to be an important one to shape this new direction to Skilling and also serves as a shining example for other manufacturing companies to partner with Ministry of Skill Development & Entrepreneurship through NSDC to take PM's vision of making India a Global Skills Hub forward, he added.

Lauding the initiative, Mr. Ved Mani Tiwari, COO and Officiating CEO, NSDC, said that Automotive industry is growing tremendously and

since 2006 T-TEP has become a benchmark in imparting automotive training and providing immense benefits to the automotive service industry and society at large. By partnering with TKM and ASDC, NSDC will not only be able to build a highly skilled technical workforce, with greater career prospects in the automotive service industry, but also enable youngsters earn a decent livelihood by providing them with employment opportunities. This partnership will also encourage other automotive players to step forward in making India a Skill Capital of the World, he added.

Talking about this partnership, Mr. Arindam Lahiri, CEO, ASDC said with advancements in technology

in the auto industry and unprecedented growth in motorization, we need to ensure that the consumers receive the best-in-class services, especially in rural areas. To align with it we will be needing highly skilled technicians, making it imperative that students at technical training centres have access to advanced technologies and gain hands-on training experience. With this collaboration, training partners will get an opportunity to understand Toyota's values, best practices, and advanced technologies which will benefit not only the students but also the entire industry, thereby contribute toward the Skill India Mission, he added.

Expressing his views Mr. Vikram Gulati, Executive Vice President, Toyota

Kirloskar Motor said that Toyota is known for its exceptional quality products and services, which stems from developing world-class people, processes, and infrastructure. We are continuously growing and adapting to the changing needs and dynamics of the auto industry. Through the T-TEP initiative, we are striving to provide talented youths with training and access to advanced technologies. It is my firm belief that this new collaboration with NSDC and ASDC will strengthen the talent available at the grassroot level and help them upskill as per the market requirements, he added.

As a part of this initiative, ASDC will identify the institute as per the requirements and Toyota will

support the institute with latest curriculum covering automobile fundamentals, safety, Toyota values and basic soft skills. In addition, the company will provide e-learning content, engines, transmissions, practice kits and train the institute's faculty through Train The Trainer approach. Further Toyota dealer partner will support skill development centers in sustenance and extend On-Job-Training to all the students. ASDC would support in infrastructure enhancement and ensure student training. TKM, dealer partners and ASDC will also conduct quarterly audits to ensure the training quality. Post successful completion of T-TEP course the student will be certified by Toyota, NSDC & ASDC.

Southern Railway to celebrate Iconic Week of 'Azadi Ki Rail Gadi Aur Stations' from 18th to 23rd July 2022

Commemorative events to be held at five railway stations associated with Great freedom fighters/event

Chennai, July 20 2022: In Southern Railway, the iconic week of 'Azadi Ki Rail Gadi Aur Stations' under the aegis of Azadi Ka Amrit Mahotsav will be observed from 18th to 23rd July 2022. Five railway stations that takes pride in its historical association with great leaders and martyrs of Indian independence have been identified for celebrations during the week. The five stations and the great freedom fighters/events associated with them are:

1. Tiruvallikkeni (MRTS) and Mahakavi

2. Tiruppur and Thiyagi Tiruppur Kumaran
3. Vanchi Maniyachchi and Martyr Vanchinathan
4. Vellore Cantonment and Vellore Mutiny
5. Nilambur Road and 'Lion of Kerala' Pazhassi Raja

The central function of the iconic week celebration of the event 'Azadi Ki Rail Gadi Aur Stations' was inaugurated by the Chairman and CEO of Railway Board, Shri Vinay Kumar Tripathi, today 18th July 2022.

At Tiruvallikkeni MRTS Railway Station, the above central programme of the Iconic Week Celebration was telecast live. Later, Shri B.G.Mallya, General Manager, Southern Railway, inaugurated the photo Exhibition and also unveiled the Selfie Point, followed by a Patriotic Cultural Program in the presence of Shri Ganesh, Divisional Railway Manager, Chennai, Shri K.Harikrishnan, Principal Chief Personnel Officer, Heads of Departments of Southern Railway, other Railway Officials, Invitees and Passengers.

Tiruvallikkeni on the (MRTS) network of Chennai suburban is located in close proximity to Bharathiyar Illam. Mahakavi Subramaniya Bharathiyar as a poet, journalist, freedom fighter and social reformer had made a great impact on Indian Freedom Struggle. At Bharathiyar Illam in Tiruvallikkeni he spent the later half of his eventful life penning down patriotic poems that kindled patriotic fervour in Indian youth.

Similar events were held under the aegis of the respective Divisional Railway Managers at the

other four stations identified for celebrations viz., Tiruppur, Vellore Cantonment, Vanchi Maniyachchi and Nilambur Road.

In Southern Railway, as part of the iconic week at the above listed five stations, various events will be held during the week from 18th to 23rd July, 2022. During the celebrations, the families of the freedom martyrs will be invited and honoured, the inspiring stories of the great leaders will be shared as audio visuals and patriotic

jingles/songs will be played at these stations. Selfie-points, photo exhibitions, Light and sound shows and cultural events have also been planned at some stations.

Azadi Ki Rail Gadi Aur Stations

In commemoration of 75 glorious years of Independent India, Government of India has been observing a year-long event named 'Azadi Ka Amrit Mahotsav'. Ministry of Railways is also organizing a host of thematic

events pan-India marking the 75th year of country's independence. As the event lead and nodal Ministry in July 2022 (among other Central Government Ministries), Ministry of Railways will organize the iconic week of 'Azadi Ki Rail Gadi Aur Stations' under the aegis of Azadi Ka Amrit Mahotsav. 75 Iconic railway stations and 27 trains associated with martyrs and various event of Indian freedom struggle will be spotlighted as part of the milestone celebration.

Shri Ashwini Vaishnav, Hon'ble Minister of Railways, Communications and Electronics and Information Technology will participate in the valedictory event of the Iconic Week Celebrations to be held in New Delhi on 23rd July 2022.

The official journey of Azadi Ka Amrit Mahotsav commenced on 12th March 2021 which started a 75-week countdown to our 75th anniversary of independence and will culminate on 15th August 2023.

Honda Motorcycle & Scooter India appoints Kyndryl as technology partner

Agreement to elevate company's IT Infrastructure for enhanced Security and Data availability

Chennai, July 20 2022: Honda Motorcycle and Scooter India (HMSI) recently announced its exclusive collaboration with Kyndryl (NYSE: KD), world's largest IT infrastructure services provider, to elevate its IT and security transformation journey across HMSI's manufacturing plants.

Currently, Kyndryl manages infrastructure services for plant production applications, enterprise and dealer management systems for all the dealers.

Bringing operational efficiency with an agile and improved customer service experience, the company's renewed alliance with Kyndryl will improve infrastructure manageability and uptime through increased automation as well as enhance the company's cybersecurity and resiliency.

Further enhancing HMSI's business applications and IT systems' availability, the new partnership will integrate an on-demand Disaster Recovery-as-a-service (DRaaS) set-up for minimal outage and production loss during a crisis impacting HMSI's primary data center.

Speaking on the association, Mr. Atsushi Ogata - Managing Director, President & CEO, Honda Motorcycle & Scooter India said, "At HMSI, we are glad to announce our exclusive technological partnership with Kyndryl India. Their in-depth knowledge of HMSI's business functions pillaring upon complex IT systems is what precisely makes them a trusted advisor for our operations in India. Moving forward, the new synergy will enable us with better business availability and operations predictability while infusing a more agile

IT environment that serves our customers and partners better."

Sharing his thoughts on the partnership, Mr. Lingraju Sawkar, President, Kyndryl India said, "In an increasingly competitive ecosystem staying ahead of the curve and anticipating business and operational challenges is paramount. Kyndryl's proven expertise in infrastructure management, automation, and cloud transformation, coupled with a deep understanding of HMSI's critical operations allows us to anticipate and structure a resilient and agile framework for the future. We are excited to expand on our collaboration with HMSI as they further unlock the potential of true digital transformation within their India operations."

During a disaster, Kyndryl's Cloud Resiliency Orchestration

tool will bring HMSI's primary data center to a fully operational state in a matter of seconds, and its resiliency architecture will span seismic zones for added flexibility to systems during a customer demand surge.

Additionally, Kyndryl will enable automation of HMSI's delivery and IT framework to address process and compliance challenges that come with IT sprawl. This integration will provide a single automated executive dashboard to monitor ongoing IT infrastructure system, as well as health checks such as patching, backup status and provisioning.

'MY LITTLE PRINCESS' Book by International Lawyer and Author Harihara Arun Sankar was launched Globally by Italian Supreme Court Judge Maria Daniela Borsellino in presence of various other delegates including the Italian Olympic Commission Member Elena Pantaleo at the Via Della Pentienza in Rome, Italy

Chennai, July 20 2022: Harihara Arun Sankar G, International Lawyer and Author: one of five legal advisors for the International Criminal Court and the only Indian before the said committee.

His book "My Little Princess" is released at Via Della Pentienza, Rome, Italy by Maria Daniela Borsellino, Supreme Court Judge of Italy and Elena Pantaleo, Member of the Italian Olympic Commission.

He have taken effort to expound through this book that Love begins in an instant, flatten over time, and last forever.

His Book Little

Princess is a story about Rana who was on a quest to fulfil his father's vows because he admired him for standing with him through love, suffering, financial turmoil, and adversity. He chose to relocate overseas after becoming engrossed in his career because he

promised his father that he would reach heights that no one else could in the legal profession. After overcoming various challenges, he created his strong base in London, and he inexorably worked to fulfil his ambition. Charu's concern and

sympathy for Rana were constant, but she chose not to express it to Rana. But it didn't stop her from keeping track of his achievements and periodically surprising him with a lagniappe. Rachel from London, on the other hand, openly supported Rana with no expectation of recompense. Can Rana achieve his goal of becoming a well-known lawyer while adhering to the promises he made to his father? Can Rana overcome the obstacles and win the love of his life?

A Little Girl is a moving narrative set in India and abroad. It's released world wide now.

Vegan Visions ~ Plant based yarn sarees ~

Chennai, July 20 2022: Taneira, the Indian ethnic-wear brand from the house of TATA unveils 'Vegan Visions', an innovative range of plant based yarn sarees in collaboration with TENCEL™ LUXE. Woven from a plant based filament yarn, the collection brings together the harmonious union of nature and technology that drapes one in elegance.

The unique filament of the yarn gives the sarees a heavenly lustre reminiscent of silk while instilling it with a lightness making for a graceful, comfortable drape. Backed by scientific temperament, the strength of the new age yarn is a unique attribute that lends it a long life.

Starting at a range of INR 4,999/- onwards which goes up to INR 7,999/-, the Vegan Visions range offers a melange of

vibrant tones and designs, and is an ideal choice of work wear, festive wear as well as evening wear. The collection is available to

shop across select Taneira stores and on the brand's official website <https://www.taneira.com/>.

Luminous provides a stage to the hidden talent of India with its Super Singer 3 Music Competition

Chennai, July 20 2022: Luminous Power Technologies, an innovation leader in energy solutions in India, announced the culmination of its prestigious singing contest 'Super Singer 3' today. The legendary singer and Padma Shri awardee, Hariharan, judged the shortlisted contestants and announced the winners in a live gala music event hosted by renowned television host & Indian singer, Meiyang Chang. The event, that is being celebrated physically after almost 2 years, is organized to commemorate the company's vast dealer network. With this large-scale contest, Luminous aims to create a platform that not only provides opportunities to the hidden talent of India, but also brings the whole music community together for spreading happiness and illuminating people's lives together.

The Company received nearly 13,000 song entries on the Luminous app from across its dealership network, and their families from across the nation. For the shortlisting process, five jury members from Suresh Wadkar's Ajjivasan Music Academy

shortlisted the best entries. Finally, three contestants were selected from each region to perform at the 'Super Singer' gala event and judged by the legendary playback singer, Hariharan.

Enthralled by the live performances at the Luminous 'Super Singer' finale, Indian Playback Singer Hariharan said, "I feel very happy to take part in this heartfelt and dynamic music competition. It brings me joy to discover such hidden gems of our nation. I also want to Congratulate Luminous for taking such an initiative to unite the music community. I believe every competitor with the will and self-assurance to compete on a stage is a winner. My best wishes to all for their bright future."

Celebrating the

GCPL REVOLUTIONISES INR 21,000 CRORE PERSONAL WASH CATEGORY, UNVEILS GODREJ MAGIC BODYWASH - INDIA'S FIRST READY-TO-MIX BODYWASH

Chennai, July 20 2022: In line with its value of 'Putting Planet before Profits', Godrej Consumer Products Limited (GCPL), unveiled Godrej Magic Bodywash, India's first ready-to-mix bodywash at just INR 45. This innovation encourages the habit of reuse and reduce wastage, thereby, empowering people to make sustainable choice for their daily life activities.

Actor Shah Rukh Khan has been roped in as the brand ambassador for Godrej Magic Bodywash and will feature in a mass awareness campaign. Godrej Magic Bodywash, with its ready-to-mix format, is a solution to environmental concerns as well as consumer challenges.

India generates 3.5 million tonnes of plastic waste annually. Due to high water content of skin and body products, tonnes of water is shipped before production and makes the finished product heavier while it is transported. Godrej Magic Bodywash requires just 16% of the plastic in packaging and only 19% of the energy to manufacture as compared to a regular bodywash, and just

10% of the total energy required to make a soap bar. Since the gel-based sachets are small and light, more sachets can be transported in every truck, leading to 44% lesser diesel consumption resulting in 44% lower carbon emissions as compared to transporting a regular bodywash.

From a consumer perspective, they prefer upgrading to a bodywash from a soap, but steep prices pose as the biggest barrier. Godrej Magic Bodywash is available in a single gel sachet and in a combi-pack comprising a bottle and gel sachet. The sachet is priced at INR 45 while the combi pack (bottle + gel sachet) is for INR 65. This product is as affordable as a soap. This product come in two variants - Lavender and Honey Jasmine.

Commenting on this launch, Sudhir Sitapati, Managing Director and CEO, Godrej Consumer Products Ltd (GCPL), said, "Sustainability is core to our strategy. In doing so, we are committed to make amazing quality products at accessible price points. Our Magic powder-to-liquid handwash introduced in 2018 is a great example of

how we have reduced plastic, water usage, and transportation costs. With the new Godrej Magic Bodywash at just INR 45, we are offering consumers bodywash as reasonable as a soap. All this while ensuring it is pocket-friendly and friendly for mother earth. We are pleased to announce Shah Rukh Khan as the face of Godrej Magic Bodywash. We roped in a celebrity for this product to ensure we create awareness around plastic, carbon footprint and upgrade bathing experience of soap users."

He further added, "I believe that Godrej Magic and other pioneering environmental innovations coming out of India with a green discount and not a green premium are the future. We are pledging INR 100 crore to be spent over the next 3 years towards mass awareness initiatives endorsing the message of environment-conscious lifestyle along with social initiatives."

Commenting on his appointment as brand ambassador of the bodywash, actor Shah Rukh Khan, said "It's an innovative product designed intelligently to support an

togetherness and many more editions of this competition."

Adding to this Amit Shukla, Sr. Vice President & Head-Energy Solutions Business, Luminous Power Technologies, said, "We at Luminous are thrilled to share the success of the third edition of the Super Singer competition. Over the last 33 years, we have been able to create a wide dealership network that has continued to expand. This journey has been truly fulfilling and we look forward to many more years of comradeship and trust with all our partners."

To further support upcoming talent within the Luminous ecosystem; Hanny Priya was announced as the winner, the popular choice award was won by Abhay Singh and the regional team winner was the south division. The winners received cash prizes and trophies.

One of the most loved dance crews, MJ5, also entertained people with their live performance during the finale. The grand finale of the "Super Singer" contest was witnessed by lakhs of viewers from all parts of the country.

NTA constitutes a Fact Finding Committee to visit Kollam

Chennai, July 20 2022: It has been brought to the notice of Ministry of Education through various media reports that an incident allegedly happened in one of the Centre's of NEET(UG)-2022 near Kollam district in Kerala. NTA has already issued a clarification in this regard.

Further, Shri V. Muraleedharan, MOS, Ministry of External Affairs & Parliamentary Affairs and other public representatives from Kerala have met the

Union Education Minister, of Higher Education and Social Justice, Government of Kerala has also written a

letter to Union Education Minister.

In view of the above, the Ministry of Education has asked the National Testing Agency to ascertain all the facts about the incident on the spot from stakeholders present at the Centre at that time.

Accordingly, a Fact Finding Committee has been constituted by the NTA to ascertain the facts in detail. Further action will be taken based on the report of the Fact Finding Committee.
