

**Plant 10 trees for every tree cut, Anbumani urges Railways
 Railway department has already cut down 200 trees out of 600 trees**

Chennai, June 11 2023: Condemning the railway department for cutting hundreds of tree for extension of Egmore railway station project, PMK president Anbumani Ramadoss has urged the department to plant 10 trees for every tree cut down for the project like National Highways Authority of India (NHAI) and State Highways department. In his statement, Anbumani said that the

railway department decided to cut down 600 trees for the project and already cut 200 trees. "All the trees in the premises are 50 to 80 years of age and several trees are more than 100 years old and act lung of the locality. It is not correct to cut down the trees that should be protected," he said. He also clarified that he is not against Rs. 734.91 Crore project, "which will put Egmore station

in tourism map. But it is unacceptable to cut down precious trees." He added that there are alternative proposals to implement the project to reduce the number of trees to be cut and to replant the trees at another location. "By redesigning the buildings, several trees can be saved. railways says it will not follow the practice. It is condemnable. Like in foreign countries, the railways should transplant the trees in nearby schools and colleges," he urged. He also urged the state government to coerce railways to reduce the number of trees required to be cut down and transplant trees apart from planting 10 trees for every tree.

NHAI and highways department are planting 10 trees for every tree that cut. But the

A comedy thriller Thandatti Movie Audio Launch

Chennai, June 11 2023: Tamil cinema is known for raw and realistic films but on the other side they deliver some of the best comedy films, and now another comedy film called 'Thandatti' helmed by debutant Ram Sangaiah and produced by Prince Pictures.

Thandatti makers have unveiled the first look recently and it looks interesting, as Rohini is playing an important role in the film and Vivek Prasanna will be seen alongside Rohini and Pasupathy will be seen as a cop. However, the makers haven't announced the theatrical release date, as per the sources Thandatti makers are planning to release the film in May 2023, stay tuned to know more about the film.

Thandatti is under production and touted to be a comedy thriller, very soon the film will wrap the shoot and move to post-production work. After the completion of post-prediction work, makers will come up with news about a theatrical

release. Debutant Ram Sangaiah is going direct the film, as he said in an interview that, the film deals with the topic of death and the fun and thrill revolving around death will make you engage for sure.

Rohini is one of the finest actresses we have and she is been doing pretty well across the languages with her films. She appeared in almost 10 films in 2022 and now 2023 is going to be great for her, she was last seen by Writer Padmabhushan which was a surprise hit in Telugu and she was praised for her performance. Apart from Thandatti, she is been a part of films like a Tamil called Naan Kadavul Illai and a Malayalam film called Ajayanate Randam Moshan starring Tovino Thomas.

Rohini is busy doing character artist and mother roles and now Thandatti is going to be the new turn for her career as she is going to play a lead role in the film as per the sources her character has many layers and she needs to portray many

emotions. Talking about Thandatti's digital rights as of now there is no information available and we can get all the details after the theatrical run.

Vivek Prasanna is playing another lead role in the film and he is best known for his comedy now Thandatti is going to play comedy roles. Vivek Prasanna was last seen in a film called Udanpal and SJ Surya's web series called Vadhandhi: The Fable Tale of Velonie.

Pasupathy is another brilliant actor who will be seen as a cop in this film, he rose to fame with the film called Arya's Sarpatta Parambarai and she was last seen in Mani Ratnam's Ponniyin Selvan and now apart from Thandatti, he is been a part of Vikram's Thangalaan. Talking about the Thandatti OTT release date as the film is expected to hit the screens in May and we can expect the OTT release after one month of the theatrical run until then stay tuned with us.

Thandatti makers haven't revealed much

about the plot as we go with the first look where Rohini is deceased and sits on the chair and a bunch of old women intensely looking at the cop played by Pasupathy and Pasupathy and Vivek Prasanna looking at Rohini. As it seems that the film is touted to be a comedy thriller.

Thandatti stars, Rohini plays the main lead, Vivek Prasanna and Pasupathy plays an important role and the rest of the case details will be out soon. The film is directed by Ram Sangaiah, the cinematography has done by Mahesh Muthuswami, the music has composed by KS Sundaramoorthy, Shivanandeeswaran takes care of the editing, and the film is produced by Prince Pictures.

Thandatti is billed as a comedy thriller that is expected to hit the screens soon. The official announcement will be out soon from the makers. Rohini will be seen as the main lead in the film, and the plot of the film is quite interesting and relatable.

SAMCO bets on the future of investing in India - launches SAMCO Active Momentum Fund

Chennai, June 11 2023: SAMCO Asset Management Private Limited, a distinguished investment management firm, is thrilled to announce the launch of India's first actively managed momentum fund - SAMCO Active Momentum Fund. Leveraging the persistent and globally acclaimed momentum anomaly in finance, this pioneering fund aims to deliver exceptional risk-adjusted returns to investors, tapping into the immense potential of momentum investing in the Indian market.

The Nifty 200 Momentum 30 index has achieved an impressive compound annual growth rate (CAGR) of 17.79% over 18 years, outperforming the broader Nifty 50 and Nifty 500 indices. Similarly, the Nifty Midcap 150 Momentum 50 index has achieved an exceptional CAGR of 21.28% since its inception. Moreover, when compared to the MSCI World Index, which produced 10x returns, the MSCI World Momentum Index delivered a commendable 20x return.

(Disclaimer: Past returns are no indication of future returns. The

index returns do not indicate returns of any scheme and are only mentioned for illustration of momentum as a factor. Price data for MSCI World Index and MSCI Momentum index from June 1994 till March 2023. For Nifty Indices - Returns mentioned are CAGR returns from 1st April 2005 till 28th April 2023.)

Based on this extensive market research and a proven track record, SAMCO MF launches India's 1st active momentum fund that utilizes these insights offering investors an opportunity to tap into the remarkable growth potential that market momentum can provide.

Extensive historical research conducted by MSCI World Momentum Index substantiates that the Momentum factor has consistently proven itself as one of the most potent generators of alpha. Building upon this powerful investment strategy, SAMCO Active Momentum Fund meticulously selects stocks with momentum characteristics such as breakouts, price leadership, and more, deploying a proprietary momentum-seeking algorithm. By

capitalizing on the prevailing price trends, the fund aims to outperform the market and generate superior returns for investors.

Umesh Kumar Mehta, Chief Investment Officer (CIO), SAMCO Asset Management Private Limited, said, "Historically, the momentum factor, or the phenomena based on persistence of stock price trends has been one of the strongest return generators. In Momentum investing, active management offers several unique advantages such as a wider investible universe, quicker rebalancing and hedging flexibility during periods of anti-momentum. By investing in stocks exhibiting momentum characteristics, we aim to offer our investors the potential for superior risk-adjusted returns."

The fund manager for SAMCO Active Momentum Fund is Mr. Paras Matalia, a seasoned investment professional with a deep understanding of momentum-based strategies. With his expertise and experience, Mr. Matalia will oversee the fund's investment decisions and work towards maximizing returns for investors.

Commenting on the launch, Viraj Gandhi, CEO, SAMCO Asset Management Private Limited, said, "We are excited to introduce SAMCO Active Momentum Fund as India's first actively managed Momentum Fund and this represents an exciting step forward for the Indian investment landscape. We believe this fund will open new avenues for investors seeking to benefit from momentum investing. With our dedicated team and a robust investment strategy, we are confident in delivering value to our investors."

The New Fund Offering (NFO) from SAMCO Active Momentum Fund commences on June 15, 2023, and concludes on June 29, 2023. During this period, investors can position their portfolios to benefit from the Momentum factor. An important point for the investors to keep in mind is that the subscriptions will not be accepted after the NFO period until further notice. Furthermore, only those Systematic Investment Plans (SIPs) registered during the NFO period will be accepted, with fresh SIP registrations will temporarily be restricted post NFO until further notice.

Adding to its robust credentials, the exclusive GT Edge Limited Collection offers a sportier avatar of the Taigun & Virtus that will make heads turn on the road. It is the perfect combination of style and performance", says Ashish Gupta.

The new variants on the Taigun & Virtus will be available across the 161 sales touchpoints in 121 cities in India. However, the exclusive GT Edge Limited Collection will be manufactured basis online bookings by customers at the Volkswagen India website.

Air India Express Makes History with India's First All-Women Haj Flight

Chennai, June 11 2023: Air India Express (AIXL), India's first international budget airline, achieved a significant milestone on Thursday by operating India's first all-women Haj flight. This special flight, carrying 145 women pilgrims, was entirely managed by an all-women crew in all critical flight operations roles, supporting the Haj Committee of India's groundbreaking initiative to have only women passengers on board.

The first all-women Haj flight, IX 3025,

departed from Kozhikode to Jeddah at 18:45 IST on Thursday, arriving in Jeddah at 22:45 local time. Capt. Kanika Mehra and First Officer Garima Passi piloted the flight, accompanied by cabin crew members Bijitha M.B., Sreelakshmi, Sushma Sharma, and

Subhangi Biswas.

Women professionals from Air India Express also carried out crucial ground tasks. Ms Sarita Salunkhe monitored the flight at Air India Express's Operation Control Centre, while Ms Mrudula Kapadia tracked

the flight's progress. Ms Leena Sharma and Ms Nikita Jawanjal handled Flight Dispatch. Ms Nisha Ramchandran served as the on-duty service engineer responsible for aircraft maintenance, and Ms Ranju R verified and signed the load sheet as the loadmaster.

The Haj Committee's empowering initiative for women aligns perfectly with Air India Express' core values of equality and diversity, as the airline's workforce consists of 50% women.

JK TYRE PRESENTS RANGER ODYSSEY: A FUN FAMILY RALLY EVENT FOR DRIVING ENTHUSIASTS

Chennai, June 11 2023: JK Tyre, a leading global tyre manufacturer, announces the much-anticipated Ranger Odyssey, a family navigation event designed to celebrate the love for long drives and ignite the spirit of adventure in participants who are wild at heart.
