Gopuram Films' G.N. Anbucchezian produces Santhanam-starrer new film on a grand scale

Chennai, Oct 17 2023: Santhanam's characterisation in this movie will be enjoyed and loved by all youngsters. Also, the film will be a celebration for Santhanam's fans.

Priyalaya is debuting as the heroine opposite Santhanam. Thambi Ramaiah plays a key role and Manobala will be seen in an interesting role. Along with them, Munishkanth, Vivek Prasanna, Bala Saravanan, Maran, Cool Suresh and others are also part of the cast.

Ezhichur Aravindan, who has written story

and dialogues for many successful films, has penned the story, screenplay and dialogues of this film. Three songs have taken shape very well in D. Imman's music. Lyrics have been penned by director Vignesh Shivan

and Muthamil.

Cinematography - Om Narayan

Editing - M. Thiagarajan

Art Direction - M. Sakthi Venkatraj Stunt - Miracle Michael

Brindha - Baba

Bhaskar have choreographed and directed the grand song sequences.

Shooting for the movie was carried out in and around Chennai. While the final post-production works are on in full swing, the title, first look and release date of the film will be announced soon.

Anand Narayan is directing the film, which is going to be a grand commercial production blended with comedy. Producer: Gopuram Films' G.N. Anbucchezian.

Witness Tide Of Emotions- Natural Star Nani, Mrunal Thakur, Shouryuv, Vyra Entertainments Hi Nanna Teaser Unveiled, Theatrical Release On December 7th

Chennai, Oct 17 2023: Starts as a father-daughter story with a beautiful journey between Nani and Baby Kiara Khanna, it then follows the love journey of Nani and Mrunal Thakur. Is she, his daughter? Did Nani meet Mrunal before? Why did Mrunal propose to Nani just before her wedding with someone else? You need to watch the movie to know the answers to all these questions.

Director Shouryuv has done the magic with his very first movie. For a debutant, it's not easy to handle a compound script with a lot of emotions. But Shouryuv showed maturity in the very first movie. He rightly balanced both emotions. While the father-daughter bonding will connect to every father, the love saga of Nani and Mrunal is blissful.

Nani, as usual, nailed it with his superb performance. It's good to see him in such an emotional character

after a long time. He appeared in two different get-ups. While he looked very young in one get-up, he portrayed a middle-aged man in another portion. Mrunal Thakur brings that charm to the narrative with her presence. Baby Kiara Khanna is cute.

Every frame captured by Sanu John

Varughese ISC is full of life, while Hesham Abdul Wahab gave life to the visuals with his soothing score. Avinash Kolla's production design deserves a special mention. Produced by Mohan Cherukuri (CVM) and Dr Vijender Reddy Teegala under the banner of Vyra Entertainments, the

production values are first class.

On the whole, the teaser looks promising and increases prospects for the next set of promotions.

Praveen Anthony is the editor and Avinash Kolla is the production designer. Satish EVV is the executive producer.

Hi Nanna is scheduled for release in Tamil, Telugu, Kannada, Malayalam, and Hindi languages on December 7th, this year.

Cast: Nani, Mrunal Thakur, Baby Kiara Khanna

Technical Crew: Director: Shouryuv, Producers: Mohan Cherukuri (CVM) and Dr Vijender Reddy Teegala Banner: Vyra Entertainments DOP: Sanu John Varughese ISC Music Director: Hesham Abdul Wahab Production Designer: Avinash Kolla Editor: Praveen Anthony Executive Producer - Satish EVV Costume Designer: Sheetal Sharma PRO: Nikil Murukan.

Toyota Kirloskar Motor Join Hands with Indian Navy for the 'Eastern Naval Fleet Drive - The Eastern Arc', supported by Toyota Kirloskar Motor

Chennai, Oct 17 2023: Toyota Kirloskar Motor (TKM) today announced its participation in the Eastern Naval Fleet Drive 'The Eastern Arc,' organized by the Eastern Command of the Indian Navy Today, the fleet drive started-off to continue over the next 12 days, covering 17 cities and spanning a total distance of approximately 6000 kilometers, along two radial routes and groups, on the East Coast of India.

The flag-off ceremony of this important event was held at the Naval Dockyard in Visakhapatnam, in the gracious presence of Vice Admiral Rajesh Pendharkar, Flag Officer Commanding in Chief Eastern Naval Command, Rear Admiral Gurcharan Singh, Flag Officer Commanding Eastern Fleet alongside the TKM representative, Mr. Atul Sood, Vice President Sales and Strategic Marketing. With a view to support the good cause of Indian Navy, TKM has extended necessary support with a fleet of seven vehicles including Four Hilux and Three Fortuner models, that will be utilized to traverse the challenging terrains and rugged off-road routes across various remote locations. This Eastern Naval Fleet Drive is set on its remarkable journey through the diverse and vibrant landscapes of India's eastern region, with the Toyota vehicles which is renowned for its unmatched performance, versatility, and off-roading capabilities.

The Eastern Naval Fleet Drive, aptly named 'The Eastern Arc,' holds significant importance as it aligns with the Indian Navy's outreach programs and activities, aimed at engaging with the civil populace. It also serves as a unique opportunity to raise

awareness about the various roles and responsibilities of the Indian Navy. TKM has provided a fleet of seven vehicles, including four Hilux and three Fortuner vehicles, specially prepared and equipped to endure the challenging terrains and distances. The Eastern Naval Fleet Drive will be conducted in two groups the Northern group and the Southern group, each consisting of three and four cars, respectively. Both groups will commence their journey from Visakhapatnam and follow separate routes, with the Northern group embarking on this endeavour from Visakhapatnam to Kibithoo and the Southern group setting course from Visakhapatnam to Kanyakumari, creating memorable stopovers along the way, contributing positively to the community development.

Needless to mention, known for Quality, Durability and Reliability (QDR) and unparalleled capabilities, Toyota Hilux and Fortuner have been chosen by the Indian Navy for tackling diverse landscapes enroute their fleet drive. The Hilux, with its ruggedness and powerful performance, exemplifies the unique product strengths, while on the other hand, the Fortuner is well recognised for its premium driving comfort, powerful

performance, and with a perfect blend of sophistication and unmatched style the Fortuner compliments every journey with confidence be it on-road or off-road travel requirements. Together, they represent the values of endurance, performance, and resilience, which are deeply ingrained in Toyota's world-class cars.

Earlier in July 2023, TKM handed over a fleet of Toyota Hilux, marking the company's first-ever delivery of its Hilux to the Indian Army. Further, in Sep 2023, Toyota displayed two modified (with the support of an authorised external vendor) Hilux vehicles - Field Diagnosis Vehicle (FDV) & Rapid Intervention Vehicle (RIV) at the North Tech Symposium organised by Northern Command of Indian Army. In addition, another customised Hilux (with the support of an authorised external vendor) namely Forest Patrolling Vehicle (FPV), including FDV were showcased at the recently held East Tech 2023 (during Oct '23), by Eastern Command of the Indian Army.

Commenting on the flag-off of the Eastern Naval Fleet Drive of Indian Navy, Mr. Atul Sood, Vice President Sales and Strategic Marketing of Toyota Kirloskar Motor, said, "We are honoured to be an integral part of the

Eastern Naval Fleet Drive 'The Eastern Arc,' which symbolizes deep values that resonates well with Toyota's belief in contributing to the community development. This fleet drive serves as a unique platform for us to showcase the remarkable capabilities of our vehicles Hilux & Fortuner, further supporting the Indian Navy's noble mission of community engagement and fostering awareness about the career opportunities that lies within its ranks.

At Toyota Kirloskar Motor, we have always been driven by a relentless pursuit of excellence, a commitment to quality, and a passion for innovation. These values are reflected in every vehicle we produce, and they have made Toyota one of the most trusted and respected automotive brands globally. As our vehicles embark on this important journey, traversing diverse terrains, covering extensive distances, and tackling challenging conditions with ease, we are confident of creating unforgettable experience."

TKM believes in going the extra mile, and the association with India Navy through this fleet drive epitomizes such commitment to exceeding expectations, not only by providing its high-quality product but also its dedication to fostering community engagement and supporting endeavours that benefit society. Toyota is proud to be supporting the Indian Navy's initiative to connect with the people of the Eastern Coast. Together, they echo the sentiment, "No land too far, no beach too hard," as they embark on this remarkable journey, united in the commitment to the nation and its people.

Nissan unveils the Nissan Hyper Tourer concept, the future of premium mobility

Chennai, Oct 17 2023: YOKOHAMA, Japan (October 17, 2023) – Nissan Motor Co. Ltd. today unveiled the Nissan Hyper Tourer, the third in its series of advanced electric-vehicle (EV) concepts that will feature at the Japan Mobility Show starting October 25. The Nissan Hyper Tourer will appear at the show in physical form.

This all-electric minivan focuses on nurturing and reinforcing the bond between people as they journey together. The Nissan Hyper Tourer concept is geared toward individuals who appreciate the finer things in life and enjoy the company of friends and associates, whether on a road trip or business outing.

The Nissan Hyper Tourer combines the essence of omotenashi (Japanese hospitality) with various advanced technologies, including autonomous driving. The V2X (Vehicle-to-Everything) functionality and high-capacity battery also allows electricity to be

supplied to homes, stores, and offices, while traveling and on various business occasions.

The exterior, which conveys a sense of the comfort within, is composed of smooth body

panels and sharp character lines that demonstrate traditional Japanese beauty, and its imposing appearance harmonizes with the surrounding landscape. The sides flow diagonally from the front to the rear fender for higher aerodynamic performance and the impression of the smooth drive resulting from the combination of EV and

autonomous drive. The white waistline serves as a headlight and signature lamp, while the kumiko-patterned wheels and the soft, straight body line create

a premium feel beyond the concept's class.

The spacious interior is made possible thanks to the Nissan EV Technology Vision, which consolidates compact components and high-energy density all-solid-state batteries to create innovate car packaging. The result is an ultra-low center of gravity, which when combined with the vehicle's advanced e-4ORCE all-wheel control system produces smooth and flat acceleration and deceleration. The overhead console and lighting feature traditional Japanese kumiko and koushi patterns that create a sense of luxury, while the flat LED panel in the floor displays imagery of a riverbed and the sky, helping creating a relaxing space where digital and nature are

fused.

Fully autonomous driving enables those in the driver's seat to focus on interacting with their travel companions. The front seats can swivel 360 degrees, allowing front- and rear-seat passengers to have face-to-face discussions.

Rear-seat passengers can use a wearable display to view and operate the navigation and audio on the front-seat center display, creating a sense of unity among all occupants. Also, an innovative AI system can monitor your biometric signs—including brain waves, heart rate, breathing and perspiration—and automatically select complementary music and adjust the lighting to fit your mood.

With the Nissan Hyper Tourer concept, Nissan re-envision the group road trip by combining the comfort of a luxurious living room with the convenience of a passenger van—all

contained in a stylish and futuristic package.

HCL Cyclothon Successfully Concludes in Chennai with Over 1100 Cyclists Udhayanidhi Stalin, Minister for Youth Welfare and Sports Development of Tamil Nadu graced the event as Chief guest

Chennai, Oct 17 2023: HCL, a globally renowned conglomerate, concluded HCL Cyclothon today with over 1100 cycling (956 men and 169 women) enthusiasts taking to the city's roads. Held in collaboration with the Sports Development Authority of Tamil Nadu and the Government of Tamil Nadu, and under the patronage of the Cycling Federation of India, the event drew participants in both the Professional and Amateur categories, making it a resounding success. The winners were felicitated by Thiru Udhayanidhi Stalin, Minister for Youth Welfare and Sports Development of Tamil Nadu. Also, present at the occasion were Mr. Sundar Mahalingam, President, Strategy at HCL Corporation and Mr. Maninder Pal Singh, Secretary General at Cycle Federation of India. HCL Cyclothon featured an exciting prize purse of INR 30

Lakhs which was awarded to the top finishers. Mr. Sundar Mahalingam, President - Strategy, HCL Corporation, said "At HCL, we believe in multiplying the potential of individuals by fostering collaboration and a shared purpose. The overwhelming response to the Chennai edition of HCL Cyclothon fills us with enthusiasm and gratitude. We look forward to organising more cycling initiatives in the future." Thiru Udhayanidhi Stalin, Minister for Youth Welfare and Sports Development, Tamil Nadu expressed his appreciation,

saying, "I wholeheartedly welcome HCL's role in expanding the horizons of sports in Tamil Nadu. It's truly inspiring to witness a substantial gathering of cycling enthusiasts championing fitness and fostering a sporting culture in our state. This also underscores the unwavering dedication of the Sports Development Authority of Tamil Nadu and the Government of Tamil Nadu to create an environment conducive to sporting excellence. By encouraging cycling, we are not only nurturing the growth of a sport but also fostering a sustainable and green future for Tamil Nadu."

Mr. Maninder Pal Singh, Secretary General at the Cycle Federation of India also shared his thoughts, saying, "We received an overwhelming response in the first edition, and this time too we saw greater participation and enthusiasm from cyclists of all levels. We believe that this momentum will continue in the coming years and people will keep adopting cycling as their way of living. The federation has an optimistic outlook for the future, anticipating even more significant participation and enthusiasm in the coming years."

The cyclists began peddling from Mayajaal Multiplex on ECR Road at the break of dawn and took several loops of the route as per their respective categories. The Chennai edition featured a prize purse of total Rs 30 lakhs which comprises Rs. 15 lakhs for professionals and Rs. 15 lakhs for amateurs.

Apollo Hospitals calls for awareness on Stop the Bleed Techniques on World Trauma Day

Chennai, Oct 17 2023: In an effort to raise consciousness around trauma response and sensitize the public about care during injuries relating from various accidents, Apollo Hospitals has called for greater awareness on Stop The Bleed techniques. A team of doctors from the Emergency Services Unit of Apollo Hospitals made the clarion call for awareness about the globally recognized set of life-saving procedures on the occasion of World Trauma Day today. The team of doctors also performed a live demonstration to spread the message around Stop The Bleed techniques a special set of protocols for bystanders who are responding to a medical emergency. The team highlighted that the intervention will help control bleeding and save time, before trained professionals arrive on the scene and take over. In essence, the intervention will empower bystanders in accident cases to play a key role during the critical first hour and save a life. The doctors also flagged the rise in geriatric trauma cases and highlighted that the

elderly are more susceptible to trauma-related injuries. Therefore, they report more falls at the ground level, slips and other concerns from similar events. The elderly are also on blood-thinning medications - this contributes greatly to their susceptibility. Suneetha Reddy, Managing Director, Apollo Hospitals Group, said, "Apollo Hospitals has emerged as a leading provider in the critical care and emergency services space. For starters, we have a team of skilled doctors, able first responders and dedicated support staff who are equipped to deal with a complex case load from across geographies. We have also expanded our offerings and invested in cutting-edge technologies and infrastructure to deal with a range of trauma and poly-trauma cases. Our ambulance services

1066 are state-of-the-art and a key part of our emergency response efforts. While we as a healthcare provider are constantly keeping pace with developments in this space and upskilling our staff, we also call upon the public to become aware of Stop The Bleed techniques and help create a more trauma-responsive community." Dr Senthil Kumar, Senior Consultant, Multi-Disciplinary Critical Care Unit, Apollo Hospitals, said, "We at Apollo Hospitals see World Trauma Day as an important occasion for us to create awareness around appropriate trauma response by all stakeholders. The Stop The Bleed Techniques are global standards for not just trained medical personnel but also lay people who may be required to respond to a variety of accident cases in the vicinity and

beyond. We are treating a significant number of people with injuries from road accident cases. We are also seeing a rise in geriatric trauma cases the elderly as a category are more susceptible and require our enduring support in their recovery journeys. There is thus an urgent need for us to take cognizance of these developments and respond effectively as a community. Stop The Bleed is our special call to action. Our mission is to save lives and awareness is the key." Middle and low-income countries such as India account for 90% of all road traffic deaths. More than 400 people die every day due to road accidents in India. According to a World Bank Report of 2021, India accounts for 11% of global road deaths, with 53 road crashes occurring every hour. According to data provided by the AIMS Trauma Centre, temporary or permanent disability affects almost 50% of all survival cases, though the mortality rates are logged at 2% - 3% of the total cases. The first seven months this year registered a total of 9,875 road accident victims.

Another Exciting Flag-off of 'Great 4X4 Expedition by Toyota' The Fourth Zonal Drive Starts in the Eastern Region of India

Chennai, Oct 17 2023: Toyota Kirloskar Motor (TKM) today announced its east zonal flag-off of the 'Great 4X4 Expedition by Toyota,' bring the fourth exhilarating drive in a series of adventurous off-road journeys across India. This captivating event promises an unforgettable experience, uniting off-roading enthusiasts in the picturesque landscape of Ajodhya Hill Top, Purulia, West Bengal, from October 13th to 15th, 2023. The first of this expedition commenced in May 2023, with successful drives held in the Southern, Western, and Northern regions of India. Each of these drives offered the 4X4 fans, specially curated 4-wheel drive experience across many magnificent landscapes of the country. Further, expanding upon the triumph of its earlier regional expeditions of 'Great 4x4 Expedition by Toyota,' this initiative stands as a reaffirmation of the company's dedication in delivering awesome experiences to the 4x4 SUV community, igniting their passion for adventure, and championing the ethos of bringing 'Mass Happiness' and providing 'Mobility for All'.

This exhilarating event features a convoy of remarkable 4-wheel drive (4WD) SUVs, including Toyota's admired models - Hilux, LC300, Fortuner, and Hyryder AWD (All Wheel Drive). The owners of SUVs from other brands are also taking part in the fun-filled & adventurous drive of Toyota, fostering

a spirit of thrilling off-roading experience.

Beyond the adrenaline-pumping adventure, this expedition emphasizes a meaningful eco-activity, aligning with Toyota's commitment towards environment protection and reducing carbon footprints. The participants will actively contribute to making a positive impact on the environment through a clean-up drive as well as virtual tree plantation in collaboration with Sankalp Taru, an esteemed environmental preservation initiative, at one of the identified locations. To elaborate every 4X4 participants will actively contribute towards a tree plantation virtually, wherein Sankalp Taru will plant the saplings & maintain them, on behalf of the participants.

Speaking on the fourth edition of the 'Great 4x4 Expedition by Toyota,' Mr. Atul Sood, Vice President - Sales and Strategic Marketing - Toyota Kirloskar Motor, said, "With the wholesome spirit of

adventure and exploration, we have embarked on the East Zonal 'Great 4X4 Expedition by Toyota' being the fourth leg, post the huge success of the last three series of this 4x4 experiential drive that concluded in South, West and North regions respectively. These remarkable journeys serve as a testament to Toyota's focus to ignite the fervour for adventure amongst the 4X4 SUV community & deliver exhilarating experiences. With each 'Great 4X4 Expedition by Toyota,' we continue to broaden our connect with those individuals who are passionate about 4x4 SUVs, by engaging them in extreme off-roading drives, irrespective of the 4X4 vehicle brands they own. Needless to mention, the off-roading drives are being conducted under the expert supervision of 4X4 specialists with necessary safety protocols in place, ensuring that participants could enjoy the thrills while being secure.

As we navigate this expedition, we aim to inspire individuals not only to explore their desire for motorsports but also to forge lasting connections and strengthen their commitment towards nature conservation through eco-activities such as clean-up drive and tree plantation. We are happy that every participant will have an opportunity to contribute to the environment through planting of saplings via Sankalp Taru."

Medical health camp by Rotary Club of Madras Connemara

Chennai, Oct 17 2023: Rotary Club of Madras Connemara with the Support of Omayal Achi College of Nursing are delighted to announce the success of our recent medical camp! With the dedication of the medical team and the support of the community, we were able to provide essential healthcare services to those who needed it most. General health check up, Dental care & Eye test. Special thanks to Rtn Dr Kanchana & team for organising the health camp

During the camp, we conducted free health check-ups, distributed medications, and distributed Health mix & Nutrition Supplement to pregnant women which was sponsored by Advocate Velpradeep Senior & friend of President Nominee Rtn Arularasi. We saw many

and Rtn Selva Shekar & team the generosity of involvement in the project. We look forward to continuing our efforts to improve the health and well-being of our community in the future.

Thank you to everyone who made this medical camp a success! Together, we are making a positive impact on the lives of many.

Total Beneficiaries: 162 people Location: Muthamizh Nagar kodungaiyur.

Rotary Club of Chennai Hallmark organised an educational Assistance program at Sri Prince Matric HR Sec school

Chennai, Oct 17 2023: Rotary Club of Chennai Hallmark organised an educational Assistance program at Sri Prince Matriculation HR Secondary school, College Road, Nanganallur. This year Rs 6,00,000 was given as educational assistance to 112 students from LKG to Post graduate level; out of 112 there were 87 girls who got the benefit. The club is giving educational assistance from its inception and for the past three years more than hundred students are given the assistance consecutively. Rtn N S Saravanan DGERI Dist 3234 was the Chief Guest and Rtn Vinod Sarogi DGN RI Dist

3234. Rtn Sai Seshan Dist Chairman Literacy RI Dist 3232 also participated. During her welcome speech President Rtn Sravanakanya congratulated Club Literacy Chair Rtn Selvam and the project coordinator Rtn Rhama for making the project a grand success. She

appealed to the students well and requested them to reciprocate it when they grow up. Rtn Selvam and Rtn Rhama briefed about the project details and thanked all the donors. During his speech Rtn Vinod Sarogi expressed his happiness that the club is executing the project with passion.

During his speech Chief Guest Rtn Saravanan congratulated the club for organising such events and appealed to the students to study well; further he added that if a student is bright there is no dearth of helping hands to full fill his/her dream. Rtn Selvam proposed the vote of thanks. Rtn Swarnarekha was the master of ceremony. Members of the Rotary Club of Chennai Hallmark, Annettes Club of Chennai Hallmark, other club members and parents attended the program. Overall it was a very satisfying project as it helps many students in pursuing their education.

Towards a Future of One-of-a-Kind Cherished Vehicles Aligned with Personal Values

Chennai, Oct 17 2023: Toyota will be exhibiting at the Japan Mobility Show 2023, to be held from Thursday, October 26 to Sunday, November 5*, with a booth themed "Let's Change the Future of Cars Find Your Future."

In this first announcement of models to be exhibited

at the booth, Toyota reveals some of the design details for two battery electric vehicle (BEV) concept models, the FT-3e and the FT-Se.

The two concept modelsthe SUV-type FT-3e and the sporty FT-Se will present a future

transformed by

electrification and intelligence, along with the new experience value offered by cars. Toyota believes that future mobility will go beyond providing physical transportation tools to becoming a lifestyle partner closely aligned with each customer's individual values. Alongside the highly responsive

controls and captivating designs unique to BEVs, these models evolve into one-of-a-kind cherished vehicles by offering the joy of personal ride customization, as well as convenient functions for stress-free browsing of local area information while onboard.

Tata Motors launches new avatars of Safari and Harrier

Safest Vehicles on Indian Roads: New Safari and Harrier achieve the highest 5-star GNCAP rating

Chennai, Oct 17 2023: Tata Motors, India's leading automotive manufacturer, today announced the launch of the new avatars of its iconic, flagship SUV Safari and its trendsetting, premium SUV Harrier. With significant design changes and addition of several futuristic technologies, both the new Safari and Harrier substantially enhance the overall experience to set new standards for the industry. Certified with the prestigious GNCAP 5-star rating, the new Safari and Harrier come with the unique distinction of securing the highest score by an Indian car for adult occupant protection (33.05/34) and child occupant protection (45.00/49), making them the safest vehicles to run on Indian roads.

Built on the OMEGARC architecture, derived from Land Rover's renowned D8 Platform, these powerful and stylish SUVs are available from an introductory starting price of Rs 16.19 Lakh (for the new Safari) and Rs 15.49 Lakh (for the new Harrier). They are being offered in four distinct personas, portraying the discerning preference and multifaceted

lifestyle of today's SUV customers.

Launching the new Safari and the new Harrier, Mr. Shailesh Chandra, Managing Director, Tata Motors Passenger Vehicles and Tata Passenger Electric Mobility said, "The new Safari and Harrier herald a new era in safety, excellence, and experience. Their modern design, exceptional build, imposing stance, smart technologies and ahead of segment features have raised the industry benchmarks for style, drivability and being best-in-class. Each SUV is now an extension of its owner's persona and a perfect unison of design, technology and performance. With their 5-star GNCAP rating and highest scores by an Indian vehicle to date, our SUVs are the safest spaces on Indian roads."

"The Harrier since its launch in 2019 is a

proud trendsetter and the new Harrier takes this attribute several notches higher. A perfect blend of design, technology and strength, it mirrors the warrior lifestyle of discerning young achievers. With its unique sportiness, dominant character, digital cockpit and contemporary interiors, the new Harrier is a true masterpiece enriching its classy pedigree." - Mr. Shailesh Chandra, Managing Director, Tata Motors Passenger Vehicles and Tata Passenger Electric Mobility.

"Since introducing India to the SUV revolution in 1998, the Safari, our flagship SUV, has built an iconic legacy of always leading from the front. Safari is now more than an SUV, it's a lifestyle. We have therefore made the new Safari more safe, smart, assertive, plush and technologically advanced. It's time to 'Reclaim Your Life' with the new Safari."

Mr. Shailesh Chandra, Managing Director, Tata Motors Passenger Vehicles and Tata Passenger Electric Mobility.
